Mine Health and Safety Council

EASTERN CAPE WOMEN IN MINING

BACKGROUND

- ❖ The EC WIM committee was established on the 20 February 2019.
- ❖ Due to the COVID19 pandemic we will be having our first virtual meeting on the 26 August 2020 at 14H00.
- ❖ Two committee members have exited - 083 679 7634

PURPOSE

- ❖ To create awareness in:
 - ❖ The prevention of violence and sexual harassment against women at our workplaces and in our communities.
 - ❖ Treating all women as fair and equal to men
 - ❖ Treating all women with dignity and respect
 - ❖ Respecting all differences in the workplace
 - ❖ The prevention of racism, genderism and any forms of unfair discrimination in the South African mining industry
- ❖ To promote the health, safety and security of women at our workplaces and our communities.
- ❖ To address the Health and Safety needs of women.
- ❖ To attract more women into the mining sector.
